In keeping with the casual atmosphere at the Wigwam, the President has chosen to make the Reception and Banquet dress code “Upscale Western,” rather than the usual black tie optional. What exactly IS “upscale western?” A general interpretation could be your best pair of jeans and a special shirt. Bolero ties and cowboy boots are welcome, too. Special prizes will be given to attendees whose outfits most represent the southwest. Dinner and dancing will finish the evening as the 63rd Annual Meeting of the Section closes another successful year.

OPTIONAL TOURS/ACTIVITIES

Desert Jeep Tour
Cost: $94 per person – 6 passengers per jeep

Join other MA-AUA attendees for this great opportunity to explore the Arizona desert, via Jeep tours. Stagecoaches and horses have given way to more efficient conveniences and you’ll power around in roomy open-air vehicles – the most enjoyable way to travel through rugged country on hot, cloudless Arizona days.

Professional western-outfitted guides will entertain and inform you about the unique native plant life, wildlife and historical facts, with a few tall tales thrown in! Wildlife that may be seen on the tour includes, roadrunners, eagles, lizards, mule deer, javelina, hawks, jackrabbits, buzzards and coyotes.

Exiting the vehicles several times along the way will provide a hands-on experience. You’ll travel to the White Tanks Mountain Park, providing beautiful views of desert and mountains, follow canyons and cross dry marshes. The itinerary is very special – a once in a lifetime chance to travel back to the Old West.
Additional Activities
When visiting Arizona, you are most likely to run out of time than things to do. Arizona offers a multitude of recreational activities for the entire family to enjoy. Aside from the many on-property activities, the Wigwam Concierge staff will be happy to assist you in planning day trips to Sedona or the Grand Canyon, hot air balloon rides, sunset trail rides and much, much more. For a better idea of all the possibilities, review the enclosed list for more information. Upon arrival to the Wigwam Resort, be sure to visit the concierge for assistance with any planned activities outside the hotel.

Spouse Program (Optional)
Monday morning: Start your day and week off right with a group yoga class in the beautiful Phoenix sunshine right outside the Hospitality Suite. Then bring your inner femme fatale inside to the Suite when Scottsdale designer, Beth Findsen, shows off her fun and fashionable flip-flops carried at the most exclusive boutiques in and around Scottsdale. Ms. Findsen, a former attorney, has been designing her fabulous pool wear for only a year; her flip-flops were an immediate success and are now a true trademark of the Scottsdale woman. For more information on Ms. Findsen’s designs, visit her website at [www.palookaboutique.com](http://www.palookaboutique.com). The yoga class is complimentary to our MA-AUA guests and there is no cost to browse Beth Findsen’s designs.

Tuesday morning and afternoon: See some of the best sites Scottsdale has to offer, beginning with a guided tour of the Desert Botanical Garden, which will introduce you to the incredible display of cacti, plants, trees and flowers of the desert. Nowhere else will you see such a remarkable collection of desert plants growing naturally in a spectacular outdoor setting. After the Garden, we’ll have lunch at the delightful Arcadia Farms in downtown Scottsdale. Known for a fresh, artful cuisine, Arcadia Farms has won numerous awards for innovative salads, sandwiches and bakery items. The restaurant is acknowledged as the place for “ladies who lunch” in the Phoenix/Scottsdale metro area. Following a leisurely lunch, spouses will be taken to the Fashion Square, the Southwest’s most distinctive address for premier shopping. The Fashion Square boasts a unique collection of over 165 stores such as Neiman Marcus, Nordstrom, Abercrombie & Fitch, St. John’s Knits and Tiffany’s – stores that cannot be found anywhere else in Arizona. We’ll end the day by driving back to the Wigwam, with enough time to get ready for the President’s Reception and Banquet. Cost is $78 per person, based on minimum of 20 people.

Wednesday morning: One final chance to relax and rejuvenate with yoga this morning followed by a massage or other spa treatment in a private room in the Hospitality Suite. Take just the class, or just a treatment – or both! There are a limited amount of treatments available during this time, so don’t wait to register. The yoga class is complimentary to our MA-AUA guests; spa treatments can be reserved by calling the Wigwam spa directly at 623-856-1071. Be sure to identify yourself as a MA-AUA guest and indicate that you want your appointment for Wednesday morning in the Bacabi Suite. Appointments will be made on a first-come, first-served basis.

The dress code for the meeting will be resort casual. Attendees are encouraged to break out their Western wear, including cowboy boots and hats. The President’s Reception and Banquet on Tuesday evening is Upscale Western.

**GOLF TOURNAMENT**

For more than 70 years, exceptional golf has long been a hallmark of the resort experience. The Wigwam is considered one of the country’s premier golf resorts and it is the only resort in Arizona to boast three championship golf courses, two of which were designed by Robert Trent Jones, Sr. The famed Gold Course is consistently ranked among the nation’s finest courses.

**THE BLUE COURSE**, where the MA-AUA golf tournament will be held, plays to 6,112 yards and follows the hole routing of the Gold course and is just as challenging. Scoring well requires pinpoint accuracy and a strong understanding of golf strategy. Elevated greens with classic Jones bunkering will challenge your short game. The Tournament, to be held on Tuesday, October 25th, is open to all attendees. Registration is required with indication of handicap. Foursome sign-up sheets will be available in the registration area beginning Sunday, October 23rd. $140 per person includes tournament fees, cart, box lunch and prizes.
